

What is the default license of your institute/collaboration with respect to software licenses:

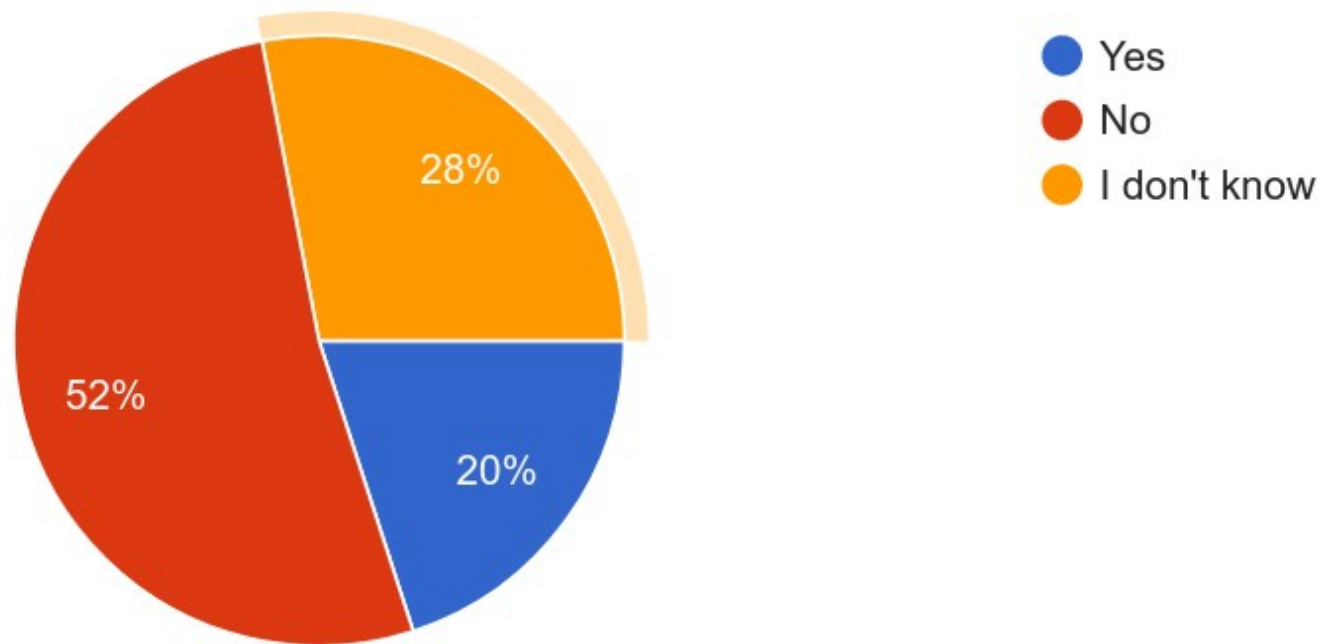

25 responses

- Proprietary license.
- Permissive license (e.g. Apache, BSD, MIT, GEANT4, EDG, MPL, etc.)
- Copyleft (e.g. GPL)
- Lesser Copyleft (e.g. LGPL)
- I don't know
- We have no policy regarding software licenses
- Depends on who funded the effort to create it and whether software creat...

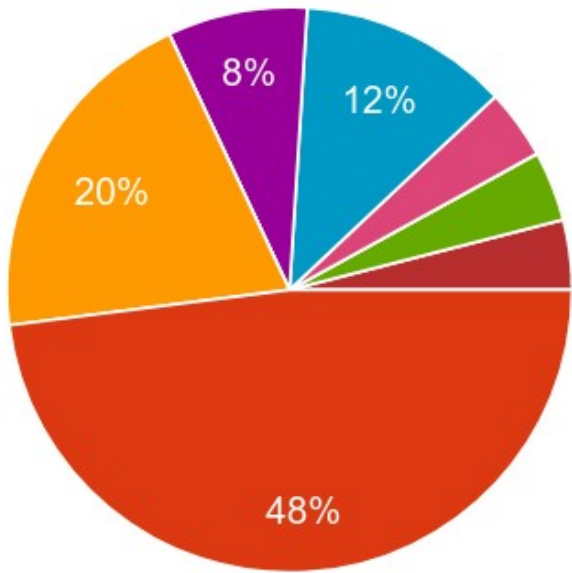

Is the license strongly enforced by the institute or collaboration you are part of?
